Directions to Honing from B1150.

Join the B1150 main Norwich to North Walsham road, heading towards North Walsham. At Westwick there is a staggered crossroads with two Estate gatehouses either side of the road. Turn right here signed Worstead.

Follow this road under a Railway Bridge to the centre of Worstead Village where the large Church is on your right. Immediately after the Church, turn left. This turning is opposite the Village square.

Follow this road past the school on your left to the next Give Way at another slightly staggered crossroads. Go straight over, signed Briggate.

Continue through the hamlet of Briggate, over a hump-backed bridge, over a hill with passing places to the next T-junction. (Honing Church is in front of you on a rise). Turn right at the T-junction and take the second right at the bus stop.

Take the next left turn, and second right, off a very sharp bend in the road (“No Through Road” sign). Lock Road is immediately on the right.

Mill House is approximately 200 yards on the right hand side, at the end of a row of houses situated at right angles to the road. Please drive across the frontages of the other houses into the drive to avoid obstruction of the neighbour's properties.
